

CLASSTRONAUTS - AUDITION SIDES

Mighty Yeti Studios

Perform naturally with warmth, sincerity, and playful curiosity. Avoid overly cartoony reads.

We are seeking authentic, culturally grounded voices. Accents should feel natural and lived-in, not performed or exaggerated.

Actors are encouraged to perform in their natural accent if it aligns with the character.

At this time, all roles are being cast with adult voice actors. Perform child roles with grounded, natural performances - avoid overly "young" or stylized voices.

Please submit:

- The Quick and Universal Reads (required)
- 2-3 lines for any character(s) you are auditioning for

Optional (encouraged):

- One additional read (emotional *or* energetic) to demonstrate range
